

Congratulations on your decision to take the journey to Lake Ternay Lodge. I have fished in the area on many occasions (July and August) and have always experienced exceptional fishing.

My name is Dan Legere, owner of the Maine Guide Fly Shop in Greenville, Maine. Joe has always instructed his guests to purchase several flies for the trip north, so I assembled a selection of flies specific to the area that will certainly catch fish. This is a collection of my favorites:

BROOKIES & SALMON

6 Wood Special #8	3 Royal Wulff #8	4 Montreal Whore #4
4 Footer Special #4	1 Hair Mouse #2	3 Muddler Minnow #6
3 Yellow Maribou #4	3 Black Wooly Bugger #6	3 Dark Hendrickson #12
3 White Maribou Muddler #4	3 White Wulff #8	3 Olive Maribou Muddler #6
3 Yellow Humpy #10		

PIKE & LAKE TROUT

2 Yellow Bunny #3/0	2 Chartruse Bunny #3/0	1 Popper
2 8'/20lb test pike leaders with bite guards		

When heading north to fish, we all go for the big brookies, but treat yourself and try for the pike. I have personally caught several over twenty pounds on a fly rod and the strike is unbelievable.

This entire fly collection comes in a Plano Stowaway case, which is clear and adjustable to create up to twenty-four compartments (dimensions are 13 3/4 inches x 9 1/8 inches x 2 inches). This entire case may be purchased for \$120 and will be delivered via priority mail. To order, please call 207.695.2266 or order online at

I always take as many flies as possible on any trip and this collection is specifically tailored to Lake Ternay. This is all you will need to hook lots of fish.

Good fishing!
